The recent Agency Bulletin on your award reminds me I have been remiss in not offering my personal congratulations.

Anyone who can foster cooperation with [redacted] deserves a reward in my book -- only kidding!

Seriously, your being selected for the [redacted] Award is a great personal honor for you as well as being a great credit to the Agency. Congratulations for this well deserved recognition of all your efforts on our behalf over the years.

Keep up the good work.

Regards,

John N. McMahon
